

Adult Training Services

The Arc of Camden County provides a 6-hour, Monday-Friday program to invigorate the lives of individuals with disabilities. The dreams, goals, and needs of our participants are the central focus of each day program. A wide range of activities take place where individuals can work on increasing their independence, daily living and social skills, employment goals, and integration in their communities.

Our creative, experienced, and enthusiastic staff make each day a joyful opportunity for growth.

We are looking for individuals who want a rich, fulfilling, and motivating experience. We have day program openings throughout Camden County, yet there are numerous openings at our Pennsauken, Blackwood, and Hammonton locations **NOW!** Transportation can be provided.
