Dear Potential Sponsors:

The Arc of Camden County, a non-profit 501 (c) 3 organization dedicated to enriching the lives of individuals with disabilities and our community is planning our **5th Annual "Designer Bag Bingo" Fundraiser.**

The Arc was founded in 1947 by a group of parents who had a vision of building a better quality of life for people with intellectual, and other related developmental disabilities. And today we service over 400 people with disabilities daily in our Day, Residential and Employment programs.

Our Bingo Fundraiser will help us to continue to serve those people with disabilities in our community to develop their independence and potential to the highest level possible. Our philosophy is that all people have strengths and talents, and people should be valued for their abilities rather than judged based on their disabilities.

Thank you in advance for your willingness to support the efforts of The Arc and making a difference in our community.
